CSKT Comments on EIS Scoping

- **CSKT Reserved Treaty Rights**
Montana Stevens Treaty Tribe

- Uphold certain rights for tribes including fishing and hunting, sovereignty, and religious freedom.

Primary Focus:

- Focus on Habitat improvement
 - Expand use of existing habitat

Restore Fire on the Landscape

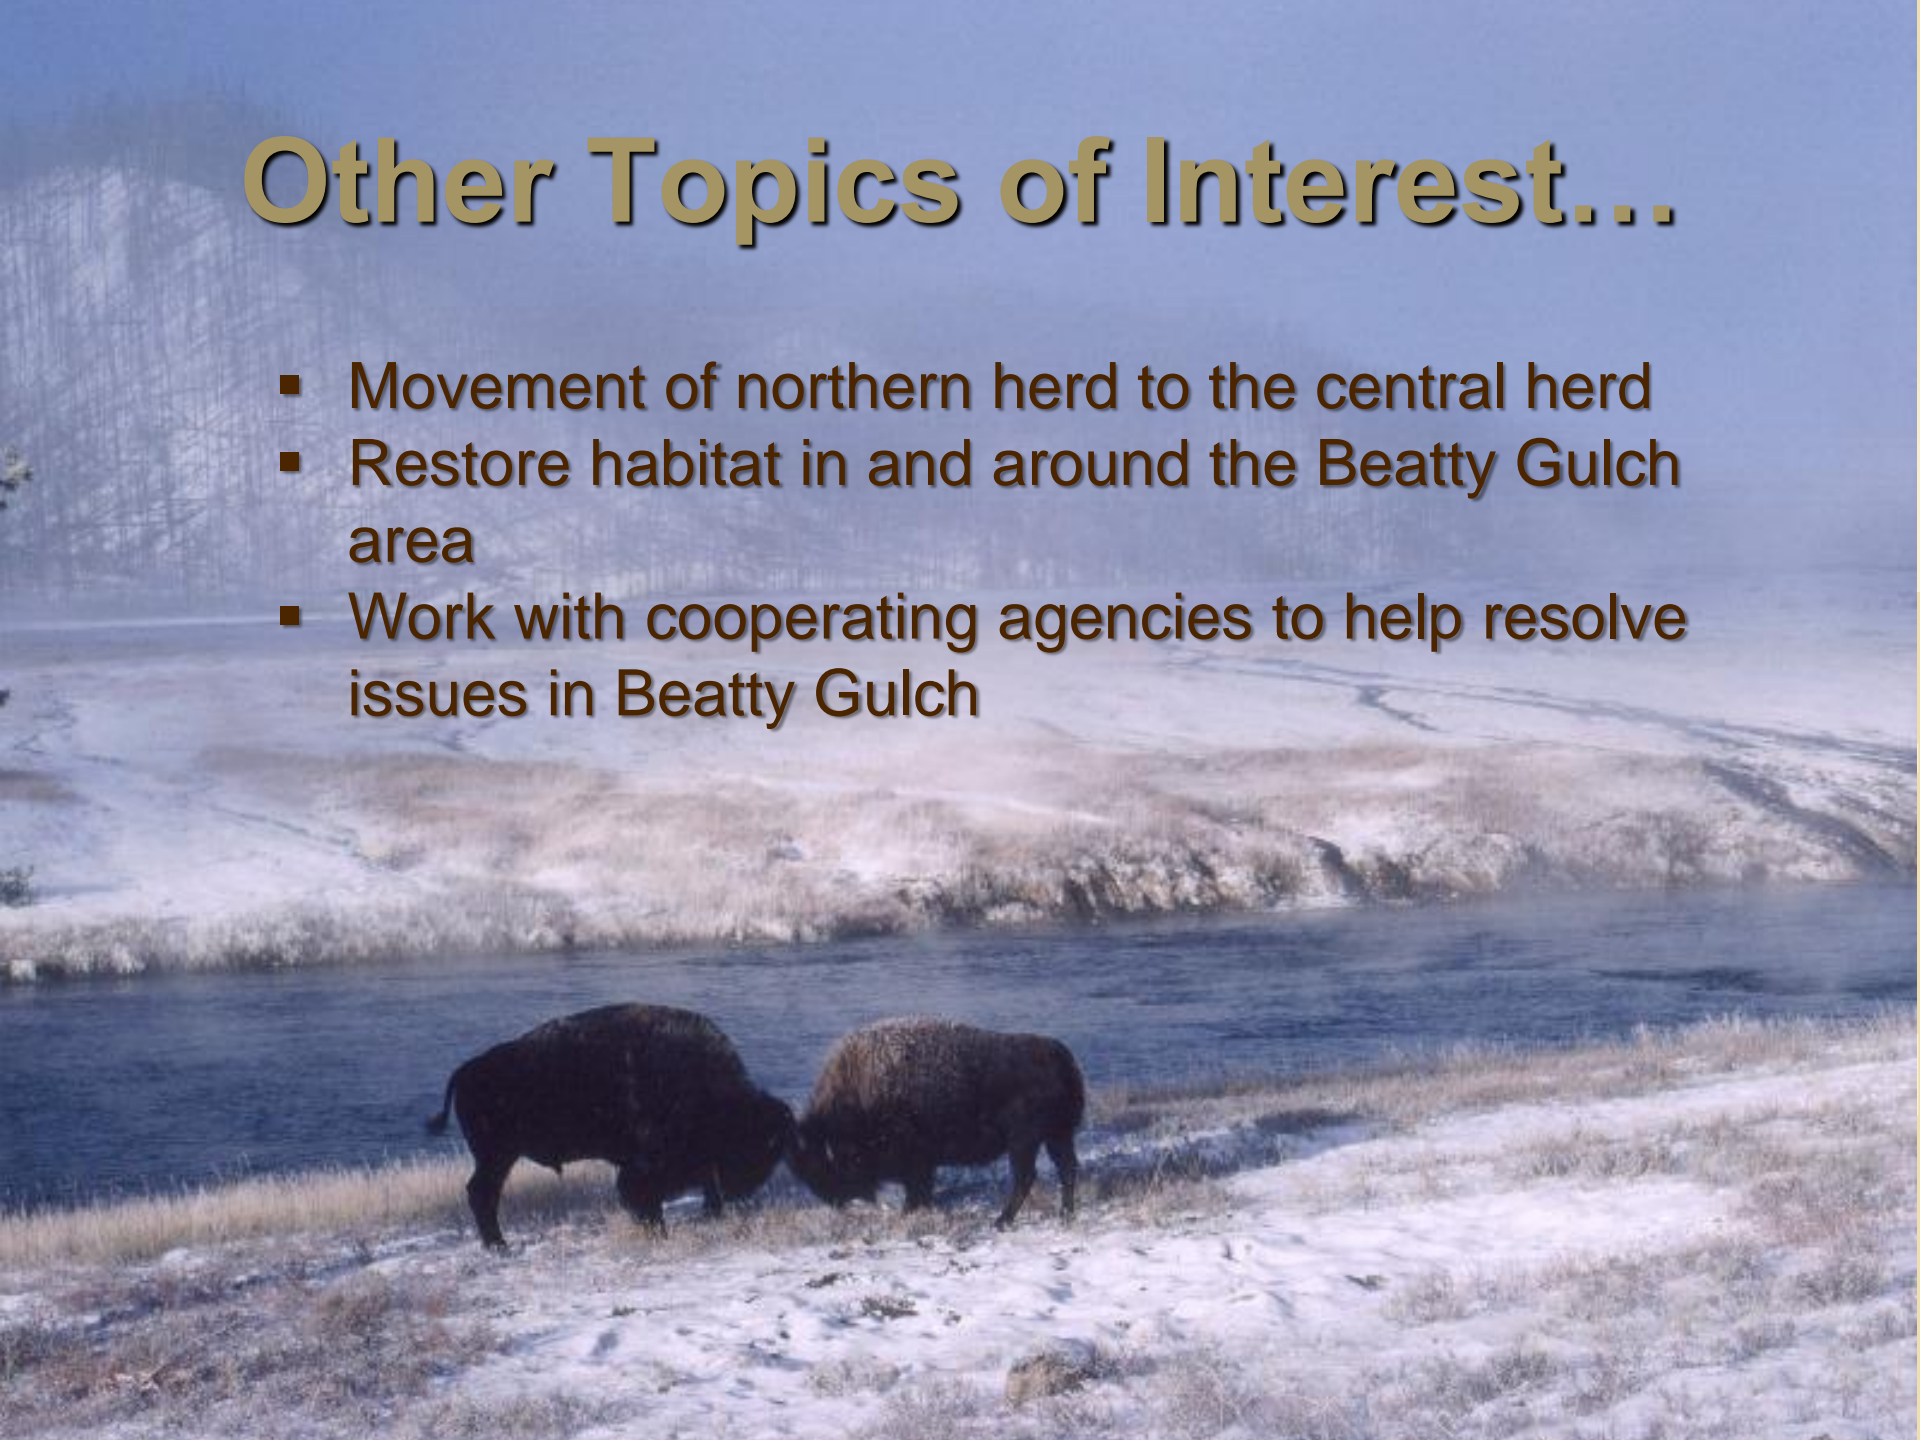

- We suggest NOT shipping bison out of the YNP area to be processed

Other Topics of Interest...

- Movement of northern herd to the central herd
- Restore habitat in and around the Beatty Gulch area
- Work with cooperating agencies to help resolve issues in Beatty Gulch
